

A Patient's Guide: Sharing My Record in MyCareCorner

The **Share Record** option in MyCareCorner allows you to share your health record with other people, such as a spouse, parent, or children. Sharing your record allows them to view and update your health information, depending on the level of access you give them. Access can be changed or removed at any time.

Sharing Your Record

1. To share your health information, log into MyCareCorner.
2. On the home page, click the circle with your initials in it (upper-right corner of the screen) and select **Share Record**.

3. The Share Health Information screen is displayed. Click the **Share health information with someone you trust** button.
