

# Scalpel Up for an Immersive Surgical Skills Experience

Sparta Community Hospital is teaming up with the Illinois Mathematics and Science Academy to bring you this one-of-a-kind opportunity!

**Hands-On Practice** - Test your precision with a **laparoscopic simulation box and endoscope setup** – just like real surgeons.

**Surgical Techniques** - Practice hand-eye coordination, visualization, and instrument mastery for **arthroscopy and minimally invasive surgery**.

**Innovation in Surgery** - Explore how tools are designed and imagine the **next surgical breakthroughs**.

**Skills Showdown** - Compete in a **friendly challenge** where speed and accuracy crown the champions!

**Hospital Tour & Careers** - Parents are invited back at 1:30 p.m. to drive student to **Sparta Community Hospital** for a tour and learn about exciting healthcare career paths.

Saturday, October 18, 2025  
10:00 a.m. – 2:30 p.m.
